

Independent house for Sale to Pietrasanta Area: Marina di Pietrasanta

219 square meters | Bathrooms: 4 | Bedrooms: 5 | Rooms: 10

Villa with garden for sale in Marina di Pietrasanta

The property lends itself to becoming an interesting solution for those who love to reside near the sea in an elegant and easy-to-reach neighborhood.

The garden on all four sides offers both the driveway and the pedestrian entrance that leads to the terrace that accompanies the living room.

We enter and, from the local entrance, the corridor leads to the various areas of the floor: a large room, a large eat-in kitchen also connected to the living room, a bedroom or study and the service bathroom.

The first floor offers three double bedrooms, each with its own terrace, two bathrooms with windows, one with tub and one with shower and a fourth shared terrace.

The cellar floor looks like a second apartment equipped with a living area with open kitchen, two double bedrooms, a bathroom with window and tub, two closets.
