

## Independent house for Sale to Camaiore Area: Collina

**145 square meters | Bathrooms: 2 | Bedrooms: 3 | Rooms: 8**

Rustic with swimming pool

In a sunny and panoramic position, this estate is an oasis of peace for those who love to live in a private place with large outdoor spaces, with attention to the smallest details everywhere.

The entrance to the property opens up a view of the other hills in a two-hectare land with multifaceted resources where areas dedicated to orchards, olive groves, vegetable gardens, gardens, wood-fired ovens, aperitifs and natural amphitheater surround the two stone buildings and the pool.

The main house, refurbished to perfection, is spread over two levels: on the ground floor the porch leads to the entrance where a large room connected to the spacious kitchen with fireplace that serves both environments, gives a pleasant welcome.

We go up the exposed stairs to reach the sleeping area consisting of two double bedrooms and a third bedroom as well as a bathroom with shower and a closet with provision for the second bathroom.

The second building, currently renovated in the external parts, consists of a chapel that could become a second home immediately next to the swimming pool.

A property impossible to describe in words but to be savored live
