180 square meters | Bathrooms: 3 | Bedrooms: 4 | Rooms: 9

Semi-detached villa with garden in Querceta

We offer for sale a bright detached house free on three sides and arranged on three levels

The automatic driveway gate opens up access to a spacious, planted, flat and extensive garden.

The porticoed entrance of the house overlooks the generously sized living room that opens in the back of the garden under another porch, ideal for outdoor lunches and dinners; the hallway leading to the dining room with access to the back, the kitchenette and the service bathroom for the ground floor complete the living area of the house.

You go up to the very bright first floor consisting of four bedrooms - one double, two twin bedrooms and a small bedroom or large walk-in closet - a bathroom with shower and one with tub.

The third floor of the house consists of the tavern enhanced by a large fireplace and a second room of about 20 square meters used as a cellar.

This independent solution promises to be the ideal home for those who want to live in generous and customizable spaces with a large external outlet in a strategic position to quickly go to the beach and walk to the town center.
