

Indipendent house for Sale to Massarosa Area: Corsanico

180 square meters | Bathrooms: 2 | Bedrooms: 3 | Rooms: 8

Villa with large garden in Corsanico

For those looking for a spacious, customizable, completely independent solution with a large flat garden on the four heights of the building, we offer for sale a villa on two levels.

The main house is located on the upper floor and is arranged as follows: from the entrance hallway you reach on one side the kitchen with a large habitable fireplace, which leads to the lower floor; on the other side there is the large living room with a habitable terrace from which you can see the sea; the sleeping area offers two large bedrooms and a bathroom with window and bathtub.

On the lower floor, above ground, the tavern effectively represents a second apartment with a small living room and open kitchenette, bedroom and bathroom with windowed shower, in addition to the hallway that connects to the stairs to the main apartment and the double garage.

The property needs renovation.

A large garden of about 1300 square meters on the four sides of the house adds great value to the property.
