

Indipendent house for Sale to Lucca Area: Santa Maria a Colle

500 square meters | Bathrooms: 2 | Bedrooms: 6 | Rooms: 15

Townhouse with annex, garden and vegetable garden

We have for sale a portion of an elegant farmhouse of important dimensions with a front stone courtyard available as a large private parking, a garden of about 400 square meters behind the property and another plot of 200 square meters used as a vegetable garden. The house, free on two sides, is spread over three levels.

The entrance overlooks the large corridor that winds between the eat-in kitchen, the living room with fireplace, the second kitchen, the cellar, the bathroom with tub and shower and the technical room.

The stone stairs lead to the living room located in the center of the first floor together with the four double bedrooms

On the second floor another living room, two double bedrooms, kitchen and dining room with fireplace complete the spaces of the main houses.

Adjacent is the annex from which three levels of 45sqm each are obtained.

The property is in need of modernisation.
