

Independent house for Sale to Camaiore

150 square meters | Bathrooms: 1 | Bedrooms: 1 | Rooms: 3

Ancient farmhouse with large garden

We offer for sale an artfully renovated 16th century oil mill keeping the original tools for pressing the olives intact and reusing some of them with modern features.

Surrounded by its garden bordered by a masonry fence partly accompanied by the ancient arched aqueduct, the property has maintained a single room arranged on two levels where the living area develops on the ground floor with the particular fireplace obtained from a milling tank, the wood-burning oven, the kitchenette with an arched brick roof, the dining area and a pleasant corner bar with its counter, as well as a cellar with an internal window once used for pouring wine.

Upstairs the generous mezzanine is the bedroom with bathroom and French door to go out into the rear part of the garden. The outdoor space allows you to comfortably build a swimming pool.

This housing solution is ideal for those who love large spaces to host events and dinners with numerous guests.
