Detached house with garden

We have for sale a house free on three sides with a large garden

The property is spread over three levels and has ample parking and a pleasant garden.

The spacious main entrance of the house leads to the living room and the large eat-in kitchen, which leads to a corridor that winds towards the storage room, the windowed bathroom with floor-standing tub and a second sitting room with fireplace and direct access from the outside, also ideal for those who need the fifth double bedroom on the ground floor.

On the first floor we find a double bedroom and a second large bedroom with a covered terrace and veranda set up to be a convivial place in the less hot seasons.

On the upper floor two other double bedrooms and a bathroom with window and shower complete the spaces of the house.

Ideal for large families and for those looking for interdependent solutions for two families or for a B&B with a garden enjoyable for guests.
