Townhouse with garden and sea view

We have for sale a detached town house in a historic village on the Camaiore hills, completely to be renovated, arranged on several levels and also adaptable to be divided into two units.

The entrance on the ground floor overlooks the landing of the stairs that leads to the ground floor where we find the kitchen, a large hallway to reach the living room and the habitable terrace with spectacular sea views. From the living room we go down to the cellar: a large space that precedes the external loggia from where you reach the garden, the vaulted storage room and the two rooms, one with an oven and one with a fireplace and exit to the second garden and the second cellar.

The first floor consists of a second living room, two double bedrooms and a bathroom with window

The second floor has two large rooms

Public parking about one hundred meters from the house.
