Detached house with garden

New Detached House for Sale in Massarosa

Leonardo Real Estate Agency offers an exclusive, completely independent solution in a strategic and residential location in the Municipality of Massarosa.

A charming villa, free on four sides, with a convenient driveway and pedestrian entrance, the possibility of parking multiple cars inside, in an elevated position and surrounded by olive groves. This in short is the summary of this new, bright real estate proposal.

The entrance to the mezzanine floor is from a magnificent terracotta terrace that surrounds three sides of the house, widening at the height of the kitchen into a covered terrace ideal for moments in the open air.

The house welcomes us with a beautiful living area that houses both the living room and the open kitchen with a central island with hob, three windows and the rear exit onto the garden and the terrace. Also on the floor is the main double bedroom and the bathroom with shower.

Going up a beautiful terracotta staircase we find ourselves in a large attic area, where we find another bedroom and a very bright and large covered terrace

The heart and jewel of the property is the tavern, tall and livable, complete with a large living room with fireplace, a third double

bedroom, a bathroom with shower and a closet.
In the tavern there is provision for a second kitchen.

The extra specification finishes
Extreme attention to detail and materials
The brightness
A house that awaits a family without requiring any intervention
